

In the days after October 7, 2023, Congregation Beth Hillel Member **Thea Lavin** coordinated an international coalition of Israeli, Palestinian, Swiss, and American education leaders to address Israeli and Palestinian students' toxic stress and trauma caused by the war.

She will share her insights on the current state of childhood toxic stress in the region after October 7 and education-based strategies for reducing its long-term impact.

Bring your own lunch at 12:00 and stay for the presentation at BHT (and on zoom)

**July 11 at 12:30**
